

## **Odessa Chamber of Commerce**

### **Minutes of Meeting held November 27, 2007**

The November 27th, 2007 Odessa Chamber meeting was held at the Old Town Hall. The flag salute was followed by the minutes from the previous meeting.

Chris Brandkamp gave another short presentation on the work he has done for a new Chamber website. He mentioned that he has a contact in Spokane who can implement the website for around \$3,000.00, and could incorporate the other two websites. Rebecca Maddock suggested that the website committee look around for other prices and Chris made a motion to gather information and bids for the next Chamber meeting before moving forward. The motion was moved, seconded and approved. Chris will also be part of the website committee.

Aimee McKay reported that she received a call from Linn Largent at the school regarding the goody bags that are handed out to the children after the Christmas program. In past years the Chamber has donated the oranges and candy for the bags. Terri Schmidt-Crosby moved to again donate these items, and June Power's seconded the motion and the motion was approved.

The Fest committee is still looking to replace April Strebeck; anyone who is interested should speak to Terri Schmidt-Crosby or Tom Clavel.

The meeting was then adjourned.
